MANAGEMENT LEVEL TRAINING FOR SENIOR LEVEL DIRECTORS OF AUXILIARY

PURPOSE: The program is designed to provide guidance to new headquarters division officers, Directors of Auxiliary and Assistant Directors of Auxiliary to enhance and improve the effectiveness of key leadership positions responsible for guiding volunteer resources in the federal government. The primary topics will include administrative procedures and techniques stressing volunteer teamwork and practical exercises involving administrative inspections; property accounting; customer needs; listening skills; management of donations, gifts and grants; Auxiliary Corporations; Federal Statutes; alternative dispute resolution (ADR), medical claims and disability payments processing procedures; regional strategic assessment guidance as it relates to the Auxiliary District Budget model; assignment to duty issues; member recognition; use of INTERNET and WEBSITES for publishing information and deployment of on-line training, physical capabilities; counseling skills for dealing with inappropriate behavior; physical standards for volunteers; military protocol as it relates to volunteers; and PPE logistics and safety gear. Future courses may be nonresident INTRANET based in FY04, if not sooner.

LOCATION: TRACEN Petaluma, CA

SKEY: AUX-01

DURATION: 3 DAYS

PMIS (COURSE CODE): 501060

PREREQUISITES: Members are to have orders to duty as Director of Auxiliary (DIRAUX), Assistant Director of Auxiliary, or Auxiliary Operations Training Officer (OTO). Auxiliary Staff or specific individuals who have Auxiliary liaison responsibilities may enroll on a space available basis. Students must be on-the-job for a minimum of 3-6 months prior to engaging in this training to have maximum benefit. For others desiring to attend, COMDT (G-OCX) must approve all waivers for volunteer members, who support the Directors of Auxiliary. Only one class convening scheduled each year. Applicants MUST have an internet e-mail account capable of receiving attachments to benefit most from this training, therefore, the e-mail address must be included in Block #22 of the Short-Term Resident Training Request prior to approval. No civilian contractors are authorized to attend.

ROUTE TRAINING REQUESTS TO: OTO and Training Quota Center

AUXILIARY LEADERSHIP AND MANAGEMENT COURSE (AUXLAM) RESIDENT COURSE FOR FLOTILLA COMMANDERS AND VICE-COMMANDERS

PURPOSE: This course is designed to prepare Auxiliarists for their role as newly elected flotilla level officers. The course provides leadership theory and application and covers the following subject areas: Self Awareness, Motivation, Situational Leadership, Group Development, Meeting Management, Conflict Management, and Performance Problem Solving.

LOCATION: CG Academy, New London, CT

SKEY: AUX-02

DURATION: 5 DAYS

PMIS (COURSE CODE): 501061

EXPORTABLE TO DISTRICT LOCATIONS:

- SKEY: AUX-02A   PMIS (COURSE CODE): 501563
- SKEY: AUX-02B   PMIS (COURSE CODE): 501568

PREREQUISITES: Applicants must be currently elected Flotilla Commanders or Vice Commanders. Those members who have previously attended this course or are not currently elected flotilla office holders are not ineligible due to limited space. Applicants e-mail address must be included in Block #22 of the Short-Term Resident Training Request for. No civilian contractors are eligible to attend.

ROUTE TRAINING REQUESTS TO: Training Quota Center via FC, DCO and OTO

AUXILIARY RECRUITING ACCESSIONS TRAINING

PURPOSE: This course is designed to prepare Coast Guard Auxiliary personnel for their role as career counselors and recruiting assistance program managers as flotilla and division staff officers. The principal goals are to augment the Coast Guard Academy admissions office, Coast Guard Personnel Command, Office of Civilian Personnel and Coast Guard Recruiting Command.

LOCATION: TRACEN Yorktown, VA and TRACEN Petaluma, CA

SKEY: AUX-03

DURATION: 4 DAYS

PMIS (COURSE CODE): 501062

PREREQUISITES: Attendees must be

- Flotilla Staff Officers - Career Counselors (FSO-CC)
- Division Staff Officer - Career Counselor (SO-CC)
- District Staff Officer - Career Counselor (DSO-CC)

Applicants are strongly encouraged to have an Internet e-mail account capable of receiving attachments to benefit most from this training, therefore, the e-mail address must be included in Block #22 of the Short-Term Resident Training Request prior to approval. No civilian contractors are authorized to attend.

ROUTE TRAINING REQUESTS TO: Training Quota Center via FC, DCO and OTO

DISTANCE EDUCATION TECHNOLOGY TRAINING (BASIC)

PURPOSE: Provide basic level training in distance learning technology education. Students will learn about the application of technology for public education and member training purposes. This course is designed to provide multimedia presentation skills for attendees. Graduates of this course will be able to create powerful interactive courseware, design websites, and conduct PC-Video conferences using asynchronous and synchronous modes.

LOCATION: Oklahoma State University or other suitable site.

SKEY: AUX-04

DURATION: 4 DAYS

PMIS (COURSE CODE): 501063

PREREQUISITES: Attendees must be flotilla members, reservists, active duty, or civilian employees actively involved in distance education technologies and who desire to implement e-Coast Guard and e-Auxiliary initiatives. In particular, course developers for Internet use or those involved in public education, public affairs/marketing, member training, or related areas with an interest in developing electronic on-line interactive courses or testing over the Internet are encouraged to attend. COMDT (G-OCX) must approve all waivers for active duty, reservists or civilians. Auxiliary students must be computer literate and have access to a computer with modem capable of linkage to the Internet. In addition, Auxiliarists must bring a recent flotilla newsletter, some member training materials, and any available pictures or artwork regarding their Flotilla suitable for use in developing a flotilla website. Others who may benefit include: member training instructors, public education instructors, and public affairs officers. Applicants MUST have an internet e-mail account capable of receiving attachments to benefit most from this training, therefore, the e-mail address must be included in Block #22 of the Short-Term Resident Training Request prior to approval. No civilian contractors are authorized to attend.

ROUTE TRAINING REQUESTS TO: Training Quota Center via FC, DCO and OTO

AUXILIARY MID-LEVEL OFFICER COURSE (AMLOC) FOR REAR COMMODORES AND DEPARTMENT CHIEFS

PURPOSE: This course in the Auxiliary Leadership Training Continuum is the second in the series of three and follows AUXLAMS (AUX-02). Adapted from the leadership program of the Coast Guard It offers mid-level leadership and management skills beyond the basics, with greater emphasis and insight into problem solving and the understanding and development of people skills.

LOCATION: TRACEN Petaluma, CA & TRACEN Yorktown, VA

SKEY: AUX-05

DURATION: 5 DAYS

PMIS (COURSE CODE): 501064

EXPORTABLE TO DISTRICT (FOR DCP and VCP):

- SKEY: AUX-05A   PMIS (COURSE CODE): 501560

PREREQUISITES: Applicants must be current elected Rear Commodores and appointed Department Chiefs. Those members who have previously attended this course or not currently an officer holder are ineligible due to limited space. Applicants e-mail address must be included in Block #22 of the Short Term Resident Training Request form prior to approval. No civilian contractors are eligible to attend.

ROUTE TRAINING REQUESTS TO: Training Quota Center via FC, DCO and OTO

AUX ATON AND CHART UPDATING – PRIVATE AIDS

PURPOSE: Provide overview training in the fundamental operation of Federal Aids servicing by Auxiliarists, emphasis on private aids to navigation program, and NOAA chart updating program.

LOCATION: TRACEN Yorktown, VA

SKEY: AUX-06

DURATION: 4 DAYS

PMIS (COURSE CODE): 501065

PREREQUISITES: Attendees must be recently assigned as

- Flotilla Staff Officer - ATON/CU
- Division Staff Officer - ATON/CU
- District Staff Officer - ATON/CU

This training is not refresher training. Alternative training is available through District ATON program managers. COMDT (G-OCX) must approve all waivers. Only one class convening scheduled per year. Applicants MUST have an Internet e-mail account capable of receiving attachments to benefit most from this training, therefore, the e-mail address must be included in Block #22 of the Short-Term Resident Training Request prior to approval. No civilian contractors are authorized to attend.

ROUTE TRAINING REQUESTS TO: Training Quota Center via FC, DCO and OTO

AUXILIARY SENIOR OFFICER COURSE (ASOC)

PURPOSE: This is the third leadership course of the Leadership Training Continuum. It offers intensive training in Coast Guard and Auxiliary Business Planning as well as business techniques. It further enhances the leadership roll with pre-classroom assignments, readings, goal planning and vision statements as well as greater insights and emphasis on problem solving.

LOCATION: Coast Guard Academy, New London, CT

SKEY: AUX-07

DURATION: 5 DAYS

PMIS (COURSE CODE): 501066

PREREQUISITES: Applicants are to be current elected Auxiliary Vice District Commodores and newly appointed National Directorate Commodores. Those members who have previously attended this course or not currently an office holder are ineligible due to limited space. Applicants e-mail address must be included in Block #22 of the Short-Term Resident Training Request form prior to approval. No civilian contractors are eligible to attend.

ROUTE TRAINING REQUESTS TO: Training Quota Center via DCO and OTO

DISTANCE EDUCATION TECHNOLOGY TRAINING (ADVANCED)

PURPOSE: Provide advanced level training in Web based publishing, marketing, public affairs, public education, online member training and mentoring on-line for non-profits. In addition students will learn how to apply appropriate media/tools/applications for Coast Guard and Coast Guard Auxiliary training/education/maritime domain awareness and how to support the Coast Guard's role in homeland security. Attendees will learn to how to effectively lead discussion groups over the Web/Internet, and acquire project planning skills to implement Web based training courses at Coast Guard Training Centers and in the Coast Guard Auxiliary. Strategies for online training in compliance with DHS/DOD advanced distributed learning guidelines and 508 "C" accessibility guidelines will be a major thrust of this course.

LOCATION: Oklahoma State University, Stillwater, OK or other suitable site

SKEY: AUX-08

DURATION: 4 DAYS

PMIS (COURSE CODE): 501217

PREREQUISITES: Attendees must have completed AUX-04 Distance Learning Technology Training or established an Auxiliary related website. Auxiliary students must bring one or more of the following: A recent Auxiliary education course and exam, a sample chapter of a member training course to be presented at an Auxiliary District or National Conference or Workshop; or an active duty correspondence course from the Coast Guard Institute. Active duty, Reservists, or Civilian students must bring a sample lesson plan, draft course, or other suitable education product to work on during the course. Applicants MUST have an internet e-mail account capable of receiving attachments to benefit most from this training, therefore, the e-mail address must be included in Block #22 of the Short-Term Resident Training Request prior to approval. No civilian contractors are authorized to attend.

ROUTE TRAINING REQUESTS TO: Training Quota Center via FC, DCO and OTO

OPERATIONS TRAINING OFFICERS - MARITIME DOMAIN AWARENESS AND PROGRAM MANAGEMENT FOR CG MULTI-MISSION SUPPORT TRAINING

PURPOSE: The program is designed to provide guidance to new Auxiliary Operations Training Officer (OTO), to make their transition to a manager of volunteer resources coordinator smoother. The primary topics will include maritime domain awareness and program management for multi-mission patrols, administrative procedures for patrol orders reimbursement using POMS and performance based skills in management of the Boat Crew, QE program, Management of Aviation and Vessel Examination, Membership Training, Annual Workshops, security clearances, ATONS/PATONS, handling surge events, and public education outreach.

LOCATION: TRACEN Petaluma, CA

SKEY: AUX-09

DURATION: 3 DAYS

PMIS (COURSE CODE): 501559

PREREQUISITES: Members are to have orders to duty as Auxiliary Operations Training Officer (OTO), Assistant Director of Auxiliary, Auxiliary Staff or specific Auxiliary liaison responsibility. Students must be on-the-job for a minimum of 3-6 months prior to training. COMDT (G-OCX) must approve all waivers, including staff of Directors of Auxiliary. Applicants MUST have an internet e-mail account capable of receiving attachments to benefit most from this training, therefore, the e-mail address must be included in Block #22 of the Short-Term Resident Training Request prior to approval. No civilian contractors are authorized to attend. Only one class convening scheduled each year.

ROUTE TRAINING REQUESTS TO: Training Quota Center via DIRAUX

INFO SYSTEMS (AUXDATA/AUXINFO) TRAINING FOR DISTRICT AND DIVISION STAFF (DSO-IS, ADSO-IS, SO-IS)

PURPOSE: This program is designed to provide district and division information systems personnel with the knowledge, skills, and abilities (KSA) to exercise responsibility for all matters pertaining to the collection, recording, and forwarding of the flotilla's AUXDATA information, and keep members informed of all developments in this area. Report generation and creation of ad-hoc queries using AUXINFO will be reviewed using in-depth classroom hands on exercises.

LOCATION: Exportable location dependent on facility infrastructure.

SKEY: AUX-10

DURATION: 3 DAYS

PMIS (COURSE CODE): 501548

PREREQUISITES: Applicants must be currently holding office as:

- Division Staff Officer – IS (SO-IS)
- District Staff Officer – IS (DSO-IS)
- Assistant District Staff Officer – IS (ADSO-IS)

Applicant MUST have an Internet e-mail account capable of receiving attachments to benefit most from this training, therefore, the e-mail address must be included in Block #22 of the Short-Term Resident Training Request prior to approval. No civilian contractors are authorized to attend.

ROUTE TRAINING REQUESTS TO: Training Quota Center via FC, DCO and OTO

MANAGEMENT LEVEL TRAINING FOR JUNIOR LEVEL DIRAUX OFFICE STAFF POSITIONS STAFF POSITIONS

PURPOSE: Provide junior level Coast Guard civilian and active duty employees mastery knowledge and skills for critical staffing positions at field level Auxiliary Director's locations. Students will acquire hands on critical job skills associated with using key management information systems (e.g. AUXDATA/AUXINFO) and reports mailing procedures, Coast Guard postal regulations and best practices will be reviewed for E-Coast Guard strategic planning and CIO/CKO guidance. Regional strategic planning basics, Auxiliary District budget model basics, Department of Labor Medical Claims processing procedures, administration of AFC56, AFC30T, and effective quota management will be discussed. Patrol orders processing basics and POMS electronic submission tools will be reviewed for implementation planning purposes.

LOCATION: TRACEN Yorktown, VA

SKEY: AUX-11

DURATION: 4 DAYS

PMIS (COURSE CODE): 501561

PREREQUISITES: Applicants MUST have an Internet e-mail account capable of receiving attachments to benefit most from this training, therefore, the e-mail address must be included in Block #22 of the Short-Term Resident Training Request prior to approval. No civilian contractors are authorized to attend.

ROUTE TRAINING REQUESTS TO: Training Quota Center via DIRAUX.

AUXILIARY PUBLIC AFFAIRS AND MARKETING

PURPOSE: Provide training for basic performance skills such as methods of writing news and feature stories, effective interview techniques, press conferences, photography techniques, and interaction within the Auxiliary, Coast Guard Public Affairs and the media.

LOCATION: DINFOS, Fort Mead, MD

SKEY: AUX-12

DURATION: 3 DAYS

PMIS (COURSE CODE): 501562

PREREQUISITES: Applicants must be currently holding office as:

- Division Staff Officer – PA (SO-PA)
- District Staff Officer – PA (DSO-PA)
- Assistant District Staff Officer – PA (ADSO-PA)

Applicants MUST have a Internet e-mail account capable of receiving attachments, therefore the e-mail address must be included in Block #22 of the Short-Term Resident Training Request prior to approval. No civilian contractors are authorized.

ROUTE TRAINING REQUESTS TO: Training Quota Center via FC, DCO and OTO & DSO-PA

AUX COXN ACADEMY - PERFORMANCE BASED SAR/MDA/MULTI-MISSION HARBOR PATROLS QUALIFICATION TRAINING

PURPOSE: Provide boat crewmembers with adequate performance based knowledge and skills in maritime domain level one "new normalcy" locations throughout the Coast Guard's ports and waterways. Emphasis is placed on standardization, increased proficiency, and focus on station augmentation, support for surge operations, qualification examiner development, and peer/mentoring TCT model. Through a combination of classroom and practical on water drills, students will be enabled to train-the-trainer post graduation.

LOCATION: Exportable Locations

SKEY: AUX-13

DURATION: 3 DAYS

PMIS (COURSE CODE): 501569

PREREQUISITES: Applicants MUST be boat crew qualified and have an Internet e-mail account capable of receiving attachments to benefit most from this training, therefore, the e-mail address must be included in Block #22 of the Short-Term Resident Training Request prior to approval. Flotilla Commanders should screen for candidates to ensure best match for quota and future potential for assignment to duty orders. No civilian contractors are authorized to attend.

ROUTE TRAINING REQUESTS TO: Training Quota Center via FC, DCO and OTO & QE Coordinator

AUX DISTRICT FLIGHT SAFETY OFFICER (DFSO) TRAINING

PURPOSE: Provides student familiarization with Coast Guard Air Station flight rules, schedules, procedures, and general air operations. Day two will acquaint the DFSO with safety gear and its appropriate servicing, SAR mission profiles, risk matrix diagnosis and other operational necessities.

LOCATION: Exportable Locations

SKEY: AUX-14

DURATION: 3 DAYS

PMIS (COURSE CODE): 501570

PREREQUISITES: Applicants MUST be a DFSO candidate with an Internet e-mail account capable of receiving attachments to benefit most from this training, therefore, the e-mail address must be included in Block #22 of the Short-Term Resident Training Request prior to approval. District Commodores should screen for candidates to ensure best match for quota and future potential for assignment to aviation duty staff position. No civilian contractors are authorized to attend.

ROUTE TRAINING REQUESTS TO: Training Quota Center via FC, DCO and OTO & BPAS AUXLO

AUXILIARY AIR COORDINATOR (AAC) TRAINING

PURPOSE: This two-day experience provides students critical foundations training and prerequisite knowledge for becoming an ADSO-AAC. The ADSO-AAC is the primary link between the Coast Guard Air Station Auxiliary Liaison Officer (AUXLO), responsible for day-to-day scheduling as well as tracking Auxiliary pilot and aircrew qualification. This course includes familiarization with Coast Guard Air Station flight rules, schedules, procedures, and general air operations. Day two will acquaint the ADSO-AAC with safety gear and appropriate servicing, Auxiliary order writing and paperwork procedures.

LOCATION: Exportable Locations

SKEY: AUX-15

DURATION: 2 Days

PMIS (COURSE CODE): 501571

PREREQUISITES: Applicants MUST be a ADSO-AAC volunteer candidate with an Internet e-mail account capable of receiving attachments to benefit most from this training, therefore, the e-mail address must be included in Block #22 of the Short-Term Resident Training Request prior to approval. District Commodores should screen for candidates to ensure best match for quota and future potential for assignment to aviation duty staff position. No civilian contractors are authorized to attend.

ROUTE TRAINING REQUESTS TO: Training Quota Center via FC, DCO and OTO & BPAS AUXLO

AUXILIARY DISTRICT STAFF OFFICER – AVIATION (DSO-AV)

PURPOSE: Provide student familiarization with Coast Guard Air Station flight rules, schedules, procedures and general air operations. Day two will acquaint the DSO-AV with safety gear and its appropriate servicing, Auxiliary order writing and paperwork procedures, SAR mission profiles, risk matrix diagnosis and other operational necessities.

LOCATION: Exportable Locations

SKEY: AUX-16

DURATION: 2 Days

PMIS (COURSE CODE): 501572

PREREQUISITES: Applicants MUST be a DSO-AV with an Internet e-mail account capable of receiving attachments to benefit most from this training, therefore, the e-mail address must be included in Block #22 of the Short-Term Resident Training Request prior to approval. District Commodores should screen for candidates to ensure best match for quota prior to appointment and future potential for assignment to aviation duty staff position. Emphasis is placed on continuity and experience. No civilian contractors are authorized to attend.

ROUTE TRAINING REQUESTS TO: Training Quota Center via FC, DCO and OTO & BPAS AUXLO

AUXILIARY CREW RESOURCE MANAGEMENT (CRM)/OPERATIONAL RISK MANAGEMENT (ORM) TRAINING

<u>PURPOSE:</u> This training, a two-day course, will be mandatory for all Auxiliary aviators, regardless of crew position, and required on an annual recurrent schedule. The course will teach aircrew members how to better communicate, avoid "roadblocks" to safe operations, and to quantify and analyze risk. The CASB, Feb 2001 class A mishap, has recommended that each Auxiliary flight be preceded by the completion of a risk matrix to serve as input to the overall operational risk management (ORM) picture.

<u>LOCATION:</u> Aviation Training Center (ATC), Mobile, AL

Course cancelled and combined with AUX-18 – Aviation Spatial Disorientation

<u>SKEY:</u> AUX-17

<u>DURATION:</u> 2 DAYS

<u>PMIS (COURSE CODE):</u> 501573

<u>PREREQUISITES:</u> Applicants MUST be in the Auxiliary aviation program with an Internet e-mail account capable of receiving attachments to benefit most from this training, therefore, the e-mail address must be included in Block #22 of the Short-Term Resident Training Request prior to approval. No civilian contractors are authorized to attend.

<u>ROUTE TRAINING REQUESTS TO:</u> Training Quota Center via FC, DCO and DIRAUX

AUXILIARY AVIATION SPATIAL DISORIENTATION TRAINING

PURPOSE: As a primary causal factor of the February 2001 Auxiliary flight Class-A mishap, Spatial Disorientation will be part of standard Auxiliary aviation training. This course is designed to train aviators to first recognize, and then recover from Spatial Disorientation. This training has been a longtime component of the military flight training.

LOCATION: Naval Air Station (NAS) Pensacola, FL

SKEY: AUX-18

DURATION: 2 DAYS

PMIS (COURSE CODE): 501574

PREREQUISITES: Applicants MUST be in the Auxiliary aviation program with an Internet e-mail account capable of receiving attachments to benefit most from this training, therefore, the e-mail address must be included in Block #22 of the Short-Term Resident Training Request prior to approval. No civilian contractors are authorized to attend.
